### **\$250 Instant Rebate on Datalogic Falcon and Mobile Terminals**

January 27, 2009

StoreNext is pleased to offer Datalogic's \$250 Instant Rebate on StoreNext's entire line of Datalogic Falcon terminals.

Orders must be in to StoreNext Order Entry by February 27, so don't wait to place your orders. Here are the rules:

- All Falcon terminals in StoreNext's Datalogic line are eligible. See the current version of [Bulletin 1212](#) for descriptions and standard pricing.
- The \$250/unit offer applies to the Falcon terminals only. Standard pricing and discounts apply to accessories, parts, service agreements and so forth.
- Order at your usual discounted price – then subtract another \$250 for your bottom-line net price.
- StoreNext dealers will be invoiced the net price with the \$250 Instant Rebate subtracted.
- StoreNext cannot accept orders with the rebate after February 27, 2009. Standard pricing will be in effect as of February 28.
- No more than nine (9) units may be ordered at any one time. Dealers may order multiple times however.
- If you wish to order 10 units or more on one P.O., then StoreNext will need to get approval from Datalogic.
- Orders must specify immediate shipment.

To Your Success,
