Technical Reference Appendix	5
Out of Scope	5

Introduction

Enhancements were recently made to the StoreNext ISS45 system. The changes are reflected in the accompanying ISS45 7.1.4.0-080 software. The Change Request Document (CRD) number assigned to each enhancement is listed in the description heading.

The Change Request Document (CRD) number assigned to each enhancement is listed in the description heading. Following the change description is an abbreviation (or combination thereof) of the ISS45 area affected:

(BO) – Back Office

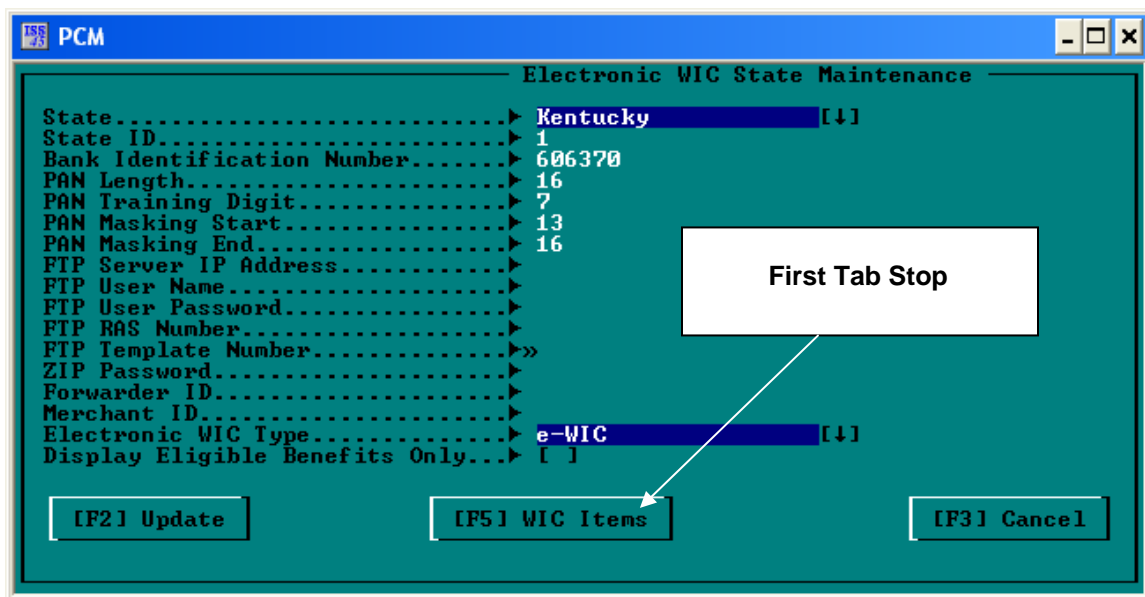

(POS) – WinPOS

(Sys) – System / Services

These enhancements are explained in detail in the following pages and are not included in the latest Office Users Guide, WinPOS User Guide and Office Administrator's Reference. If you have any questions regarding this release, please contact StoreNext Support.

292949 – Electronic WIC State Maintenance Tab Order Change (BO)

The tab order has changed within the Electronic WIC State Maintenance application (1-6-15->Modify State). The first tab stop is now the **[F5] WIC Items** button (and not the **State ID** field) to make WIC Items Maintenance more accessible.

229696 – New Online WIC EBT Warning Messages (POS)

In this release, new Online WIC EBT warning messages appear on the POS (and print on the receipt) when one of the following scenarios is present in an Online WIC EBT transaction.

- If there are no WIC items in a ticket, the following message appears when an Online EBT WIC card is attempted to be tendered:

- If WIC items exist in the ticket but there are no benefits available for these specific items, the following message appears when an Online EBT WIC card is attempted to be tendered:

- If WIC items exist in the ticket but there are no benefits available on the Online WIC EBT card (whether matching or non-matching), the following message displays when the Online EBT WIC card attempted to be tendered:

**Note:**

For purposes of determining whether there are WIC items in the ticket, the items must exist in the state APL file and have been flagged to "Enable WIC Sale".

Note:

For purposes of determining whether there are WIC Benefits available on the Online WIC EBT card, there must be a non-zero benefit balance in at least one category/subcategory.

Note:

In previous releases, the "No WIC Benefits Available" message displayed for each of the scenarios above.

Technical Reference Appendix

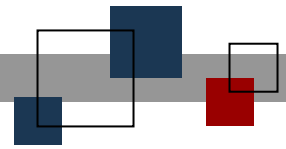

Out of Scope

Limitations of new features in this release are listed below (and were not addressed in development).

Note:

The limitations below are known as of this writing, and are provided in order to assist users and support personnel to plan, install and operate the capabilities described in this document. While StoreNext Retail Technologies LLC endeavors to ensure that this information is correct and fairly stated, no attempt is made here to catalog all limitations that could be construed or that may become known in the course of use or experience.

FSD Number	Enhancement	Out of Scope
292949	Electronic WIC State Maintenance Tab Order Change	Electronic WIC State Maintenance Tab Order Change is available for the current release only (and will not be made compatible with previous ISS45 releases).
229696	New Online WIC EBT Warning Messages	New Online WIC EBT Warning Messages is available for the current release only (and will not be made compatible with previous ISS45 releases).
