

Technical Bulletin

ISS45 Debit Transactions Reporting as Credit

EPS-TECH-16:05
September 6, 2016

ISSUE

When EMV has been implemented, debit card transactions may report in ISS45 as credit card transactions.

VERSIONS AFFECTED

ISS45 8.1.8.0-090 and later with EMV implemented

SOLUTION

From the Tender Maintenance screen for **DEBIT** transactions, change the Tender Type from Credit card/EFT to Debit card to resolve the reporting issue.
