ISS45 V7 "TF Server" Message in Service Monitoring

ISS45-TECH-05:02
February 3, 2005

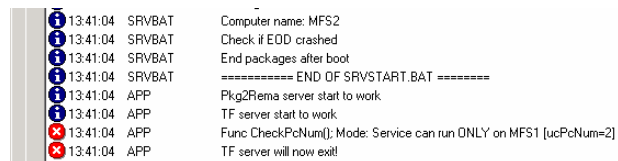

When checking the Service Monitoring General Tab you may notice messages concerning the "TF Server". These messages refer to an option known as Trickle Feed appearing in the menu below:¹

The following messages will appear on both the MFS1 and MFS2 Service Monitoring General Tab whenever services are started and the Trickle Feed option has *not* been purchased. These messages can be ignored. On MFS1:

And on MFS2:

To Your Success,

Speros
Speros Voss
ISS45 Technical Support

¹ If you have not purchased this option in V7 the associated bit will not be set on the software keys. A similar option is a standard included feature of all V8 systems.
