StoreNext Welcomes Mike Lyden

April 11, 2005

StoreNext Retail Technologies is very pleased to announce that Mike Lyden will join StoreNext starting April 18. Based in New Jersey, Mike will be responsible for StoreNext's dealer account relationships in the Northeast.

"Mike's going to be an outstanding addition to StoreNext," commented StoreNext Senior Vice President Bruce Minale. "Mike's long track record of great dealer relationships and customer satisfaction strengthen our capabilities with StoreNext's broadening product line. And of course, the Northeast has a huge base of independent grocers, and Mike's experience and personal relationships with their dealers make him a perfect fit."

"I'm very excited to join StoreNext," said Mike. "I've always enjoyed specializing on the independent grocery side of the business, and StoreNext's total commitment and focus on that market makes it the obvious place to be. With both ScanMaster and ISS45, plus Connected Services, U-Scan, Pricer ESL and now even TCI, independents will continue to move to StoreNext's dealers. There's no question that StoreNext has a great future, and I'm delighted to be part of it."

StoreNext thanks Jim Gerlt, whose efforts have strengthened StoreNext's dealer representation throughout the East and Eastern Canada. Jim's new position will be announced shortly.

To Your Success,

Antony van Seventer
