MayDay!Exchange Suspended

May 3, 2010
Issue 2

Note: this Issue 2 clarifies the confirmation date. Changes of significance are noted in red.

Fujitsu has notified StoreNext that the MayDay!Exchange program has been suspended and shipments after May 30, 2010 will no longer qualify. In addition:

- Fujitsu will also **only** consider the 3600 terminals for MayDay!Exchange. No other Fujitsu items will be included in MayDay!Exchange for the period between now and May 30.
- Fujitsu will also **only** consider MayDay!Exchange replacing Fujitsu TeamPoS hardware. Fujitsu will not include non-Fujitsu terminals for MayDay replacement.

StoreNext is working with Fujitsu in hopes of retaining some type of MayDay program, but the likelihood, content and timing are uncertain as of this writing. StoreNext will alert Dealers of any further changes or progress.

Dealers must also make sure that any pending MayDay!Exchange Trade-In Confirmations are filed immediately with StoreNext. Fujitsu has made it clear that they will not grant any MayDay credits without the confirmations, and credits without the confirmations will be rescinded per the MayDay!Exchange program rules as published in the MayDay!Exchange Program Bulletin.

To receive MayDay!Exchange credits, all dealer Trade-In Confirmations must be complete and in StoreNext's hands by June 30, 2010.

A new [MayDay!Exchange bulletin](#) has been published noting the changes.
