U-Scan Promotional Items and Pricing for Q2 2012 April 5, 2012

The following page lists the promotional U-Scan configurations and pricing available starting April 1, 2012.

- Use these PINs to receive the promotional pricing. The promotional PINs are the same as the usual PINs, but with “-P” appended to indicate the special promotional items and pricing.
- Prices of these items are Dealer Net. Percentage discounts do not apply.
- No changes have been made to the list prices.
- The dealer prices are lower by an average of 12% with average dollar savings to the dealer of \$2,334 per unit across all configurations.
- This pricing is valid for orders taken starting April 1, 2012 with shipment required on or before June 30, 2012.

At this writing, the promotion is available only within the dates above. StoreNext will attempt to extend this promotion, but we cannot provide any expectations or estimate the likelihood at this time since the manufacturer will not discuss any such extensions until Q3.

To Your Success,

Anthony van Seanter
