

U-Scan + ScanMaster Rebates!

With these savings, now is the time to upgrade your ScanMaster V1 system to V2 with U-Scan self-checkout

Use these dramatic savings to move your

ScanMaster POS system up to Version 2 with

fully-integrated U-Scan self-checkout.

U-Scan and ScanMaster V2: two of the industry's true premier systems enabling independent grocers and regional chains to offer outstanding service to their shoppers.

StoreNext has now fully integrated U-Scan with ScanMaster Version 2 with leading industry feature sets for both POS and self-checkout. ScanMaster's comprehensive set of shopper service features keeps your front end running smoothly while shoppers know that your U-Scan lanes ensure fast checkout with no waiting.

But what if you're currently using ScanMaster V1?

Don't worry! StoreNext is celebrating the new ScanMaster U-Scan integration with a set of special offers that adds up to big savings from your StoreNext Certified ScanMaster Dealer on a ScanMaster V2 upgrade.

This limited time special offer gives you generous trade-in and upgrade rebates when you install U-Scan self-checkout while moving up to ScanMaster V2.

- **First! A 100% instant rebate on the ScanMaster V1→V2 software upgrade** – this item is normally \$2,195 but your full price for the new ScanMaster Version 2 application will be instantly rebated.
 - **Next! terminal/e-box upgrades** – special incentives from StoreNext enable your dealer to provide generous trade-in credits – as much as \$1,000 per lane – when you upgrade your old NCR PC-POS terminal e-boxes to new ultra-reliable Fujitsu POS from StoreNext. Your StoreNext dealer will provide details based upon model and age of your existing equipment.
 - **Rebates on new touch-screen displays and printers** – StoreNext's new state-of-the-art touch screens cut training costs while improving checker performance printers from TPG and Epson deliver receipts – sorted for your shoppers – almost instantaneously. And special print colors, highlighting and other new sophisticated marketing capabilities help sell your customers. Rebates? Icing on the cake!
 - **Rebates on PSC Magellan scanner/scales** – you will be amazed by your new checkout speed, and with the patented All-Weights platter, they recover enough lost produce dollars to pay for themselves. Plus the rebate!
- Your StoreNext Dealer will be happy to provide a complete proposal, – and you'll be happy when you see it
