Solidcore Upgrade Introductory Special

December 13, 2006

To help you get started with existing customers upgrading to protect their systems with Solidcore, StoreNext is offering a special limited-time Dealer discount.

Dealers who order Solidcore upgrades for existing ScanMaster and ISS45 systems by March 31, 2007 will get a special \$395 price for Solidcore S3 upgrades.

All other terms and conditions apply. If your dealership has not been certified to handle Solidcore yet, please contact StoreNext as quickly as possible to arrange the authorization classes. This will enable you to receive the Solidcore masters and updated software keys with Solidcore enabled for your labs and customers.

Remember – there’s no additional SMS or maintenance charges from StoreNext for Solidcore systems. Solidcore protects systems and software from a number of traditional and emerging threats.

To Your Success,

Antony van Seventer

Want an even better deal? If you can get your plans together in a hurry, we'll work with you on aggressive pricing for quantity upgrade orders if we can (guess what) ship by the end of the year. Call Pat, Steve, Mike or Mike – but better be quick about it. -T
