### Double Centurion Credit for Q1

January 16, 2003

Here's a nice bonus for StoreNext Dealers – the first calendar quarter of 2003 will count twice toward Centurion Club, once for the 2002 Club and once for 2003.

This is because StoreNext's accounting fiscal year is changing from the former April – March year to a January – December fiscal year. That means that all your orders for January, February and March 2003 not only count toward your trip this year to the Virgin Islands, but *they also work for you again*, doing double duty by counting as the first quarter of your sales toward the following Centurion Club for 2003 performance.

Accounting practices have taken a nasty hit in the last year, but here's one that's going to benefit everybody. So have a great Q4 – and then count it again for a great Q1.

To Your Success,

***Tony***
