WinEPS — Policy Changes for Lab Sites and Activation Keys

January 6, 2010

WINEPS LAB SITES

StoreNext and MTXEPS will continue to follow the policy of offering lab installations of WinEPS at no charge. Such installations can be used for:

- Dealer demonstrations and demo rooms
- Dealer labs
- Customer labs

Lab licenses may never be used in a live customer site, but there are no SMS charges for WinEPS lab installations.

As of January 1, 2010, WinEPS activation keys for lab sites will be provided only based on no-charge orders for these lab sites. Although these free sites must be approved, such approval will not be unreasonably withheld.

If you need a demo/lab key for WinEPS, order:

PIN	Item	Price	Inst	Maint
WINEPS-LAB	WinEPS Payments System License for Dealer or Customer Lab	\$ 2,495	N/A	N/A
	Use this PIN to order license a WinEPS customer or dealer demo/lab at no charge. Upon approval by MTXEPS and StoreNext, MTXEPS will issue the activation key to the dealer.	Dealer Net Price: \$ 0		

WINEPS ACTIVATION KEYS

To receive a WinEPS Activation Key from MTXEPS, dealers must have ordered the WinEPS from StoreNext. This requirement is effective immediately.

As soon as the dealer P.O. for WinEPS is accepted at StoreNext Order Entry, MTXEPS will be notified and can provide an activation key for that P.O./Sales Order. Unlike in some past cases however, MTXEPS will no longer provide activation keys in advance of the order being accepted at StoreNext.

To avoid “disappointment” (not to mention stranding your installer at 3:00 a.m.) it is strongly recommended that dealers order MTXEPS a few days in advance of the activation key being required for system staging and installation.
