StoreNext Education Schedule Change, and Sign Up Fast

February 14, 2002

The change in the ICRDA/SDA schedule to mid-September creates a conflict for StoreNext's previously scheduled September 15-19 V8 course. As a result we are rescheduling this course for *September 22-26* at the same location.

Course Title	Location	Dates
#9026 Supporting and Servicing ISS45 Version 8 and Windows PoS	Schaumburg, IL (near Chicago)	September 22 — September 26

Then, sign up fast for the RBO courses coming up in August before your chance goes away. We've put on a particularly full schedule of RBO classes in the June and July, and the frequency will drop after August. So sign up fast and take advantage of these sessions. See the updated [ISS45 Education Schedule](#) for all the instructions, maps and numbers you'll ever need.

Course Title	Location	Dates
#9054 RBO Web-Based Course	Web Based	August 5 — August 6
#9055 Supporting and Servicing RBO — Dealer Certification Course	Dayton	August 12 — August 14
