

## Update Bulletin

### StoreNext Mid-Tower Special Buying Opportunity

July 27, 2010

A limited number of StoreNext mid-tower PCs are available for special pricing. These PCs are brand new, fully warranted by the manufacturer and certified with ISS45 and ScanMaster.

These are an earlier model of 45MTPC from Acer using the Intel E5200 Core Duo CPU. These represent a great opportunity for lower pricing and higher dealer margins.

Supply is limited and orders will be accepted first-come/first-served.

Order:
