

Update Bulletin

Fujitsu Change of Manufacturing and Shipping Location

July 8, 2011

Fujitsu is transitioning its POS assembly and shipping facility from Foothill Ranch, CA to Plattsburgh, NY.

All POS orders shipping in July will continue to ship out of Foothill Ranch, but as of August 1, 2011, all orders for TeamPoS, printers, displays etc. will ship from Plattsburgh.

This will affect shipping costs, with rates going down or up depending upon where the dealership is located.

Please contact John Bellamy or Ed Thompson with any questions regarding order timing or further details of this change.
