Looking for Applications...

July 7, 1998

Many of the **ISS45** RETAIL *partners* have created applications or CustomLink routines that enhance the value of an **ISS45** installation to the users.

I'm preparing a marketing bulletin to publicize these to the rest of the **ISS45** community. We've done this in the past, and it's been very useful for all concerned.

If you have any add-on applications for **ISS45**, please send me an e-mail (avanseventer@iclretail.com) or FAX (408) 982-3208 with some information on what it does and who to contact.

I look forward to hearing from you.

To your success,

Tony
