### StoreNext Business Council Election Ballot

June 30, 2003

Thanks to all for the nominations and volunteers for the StoreNext Business Council. Just reading through the list is a reminder of how many outstanding individuals we are privileged to work with as we build this business together.

Last week we contacted those individuals who were nominated (but who had not themselves volunteered) to ensure they would be able to serve if elected. Business and growth pressures were cited in a few cases, and as a result not all individuals who were nominated appear on the final ballot below.

**Dealer Principals only** – please select five of the names below and [email me](#) with your voting selections. Again, each principal may vote for up to five. As you vote, please keep in mind one of the terms from the makeup of the council, that “No more than one principal from a Dealership or Dealership group (for example, a Dealer company with multiple offices that are not fully financially independent) may serve at one time...” You can certainly vote for more than one, but in the end only the top vote getter from any Dealership/group will be able to serve (they may be alternates, however).

You may want to take another look at [Marketing Bulletin 1197](#) if you want to clarify this or other terms or conditions of the Council.

Here are the names in alphabetical order.

- Ron Allnock – RCS (Pittsburgh)
- Bob Bauer – BMC (Lansing MI)
- George Brady – DSI Omaha
