March 5, 2008

Modiv Media has announced the withdrawal of the MobileLime system to focus its business plan and resources on new strategic systems, including its Modiv Mobile, Modiv DeliVision and Modiv Shopper offerings.

No additional subscriptions for the MobileLime service will be accepted. MobileLime has worked with all MobileLime merchants and users to cooperatively establish an end of service plan.

In conjunction with this decision, StoreNext’s MobileLime interfaces for ISS45 and ScanMaster have been withdrawn.
