

ANNOUNCEMENT UPDATE

Software Enablement Key (HASP) Service Fees

November 1, 2016

NCR has eliminated the \$35 per-key service fee that was previously required for ISS45 and ScanMaster software orders consisting solely of no-charge software items.

This change is effective immediately:

- It is no longer necessary to order this item (G330-0190-00KU) under any circumstances. This announcement overrides any previously stated requirements for this item in Announcements, policies and exceptions.
- Channel Partners will be requested to update any new orders that include this item at the \$35 price. Channel Partners may resubmit the P.O. with the G330-0190-00KU item removed entirely, or the Channel Partner may update the P.O. price to \$0.
- Orders already in process that included this item will continue through to fulfillment as-is unless those orders are canceled and re-ordered by the Channel Partner.
- The **Key Replacement Service Fee** (G330-0190-0000 – \$75 per key) requirement has not changed.

PID / PIN	Item	Price
G330-0190-00KU (was 45000/010) To be Withdrawn	Software License Enablement Key (HASP), Update Service for \$0 Software, per Key No longer required as of November 1, 2016. Price reduced to \$0 Dealer Net if included on an order. Previously required for updates to a License Enablement/Protection Key (HASP) for \$0 software orders. For example, adding electronic payments software options at \$0, ISS45 MFS-LFS Swaps etc. This item is NOT REQUIRED when purchasing priced software options or license additions. †- If replacement keys are needed, select instead G330-0190-0000 (Software License Enablement Key (HASP), Replacement Service and Shipping, per Key).	Dealer Net: \$0
G330-0190-0000	Software License Enablement Key (HASP), Replacement Service and Shipping, per Key Required for replacement of License Enablement/Protection Keys (HASPs). †-Price and service is per key: Order 2@ for dual-key system. If the system was originally shipped with dual keys, both keys in an original key pair must be replaced and 2@ of this item must be ordered. †-Can be used to update early-version Parallel HASP keys, damaged, faulty, USB keys etc. Do not order this item unless the physical HASP keys need replacement. †-All License Enablement Keys remain the property of NCR. This item's price is for the creation and service only. †-All orders for this item must include a copy of the most recent SKIF (from the last change to the system), showing the current key and license status. In addition, the new SKIF (Excel version only) must be provided, which uses the "Replacement Key" option. The new keys will include only those items included on the previous keys. †-Keys replaced by the new key must be returned. By tendering an order for this item, the Channel Partner agrees to be responsible for the value of the software license protected by the key(s) and will be invoiced if the old keys are not returned promptly. †-Orders for this item will be accepted only upon approval of NCR Management. NCR reserves the right to decline any order.	Dealer Net: \$75
