- The Instant Rebate amount will be provided on invoice and subtracted after a Channel Partner's usual discount is applied to NCR's standard NCR MRP/list price.
- The offer applies to published items, configurations and packages. RealScan79, 7878 and 7874 orders must be full configurations including scales and top plates.
- Configurations and Models *within* a product class may be mixed and matched – for example, RealScan79 P-USB and RealScan79 RS-232 packages can be combined to achieve the volume threshold.

- A P.O. may specify shipments to be divided among offices of the same Channel Partner, but any single shipment must include at least 25 units of the same PIN/configuration.
- No special payment terms or other conditions are provided with this offer.
