2. LICENSE

2.1 License Grant.

a. **Server Edition License Grant.** Subject to the terms and conditions of this Agreement, if you have properly received the Server Edition, Pervasive grants to You a nonexclusive, nontransferable, nonsublicensable and revocable right to (i) use the Server Edition on a single Server; (ii) use the Client Software and Documentation in connection with Your use of the Server Edition; and (iii) with respect to a Server Edition Concurrent User License, permit a total number of Concurrent Users that is not greater than the User Count to simultaneously access and use the Server Edition; (iv) with respect to a Server Edition Intranet License, have an unlimited User Count, and otherwise subject to the same terms and conditions as a Server Edition Concurrent User License; and (v) with respect to a Server Edition Internet License, have an unlimited User Count and the right to use the Server Edition in a “software as a service” or in an application service provider environment. Under Server Edition Concurrent User Licenses and Server Edition Intranet Licenses, (i) you may use the Server Edition solely for your internal business purposes, and (ii) You may not use the Server Edition to host applications for third parties or to provide service bureau, time-sharing or other computer services to third parties.

b. **Workstation/Workgroup Edition License Grant.** Subject to the terms and conditions of this Agreement, if you have properly received the Workstation/Workgroup Edition, Pervasive grants to You a nonexclusive, nontransferable, nonsublicensable and revocable right to (i) use the Workstation/Workgroup Edition on a single Server; (ii) permit a total number of Concurrent Users that is not greater than the User Count to simultaneously access and use the Workstation/Workgroup Edition pursuant to a Workstation/Workgroup Edition Concurrent User License; and (iii) use the Documentation in connection with Your use of the Workstation/Workgroup Edition. You may use the Workstation/Workgroup Edition and Documentation solely for Your internal business purposes. You may not use the Workstation/Workgroup Edition to host applications for third parties or to provide service bureau, time-sharing or other computer services to third parties.

c. **Vx Server Edition License Grant.** Subject to the terms and conditions of this Agreement, if you have properly received the Vx Server Edition, Pervasive grants to You a nonexclusive, nontransferable, nonsublicensable and revocable right to (i) use the Vx Server Edition on the number of Servers purchased under a Vx Server Edition Multi-Server License; or if a Vx Server Edition Multi-Server License is not purchased, on a single Server, and in any event subject to the total Concurrent Sessions and Data in Use purchased pursuant to a Capacity-based License; and (ii) use the Client Software and Documentation in connection with Your use of the Vx Server Edition. Notwithstanding anything to the contrary in this Agreement, there are no restrictions on use of the Vx Server Edition as a “software as a service”, in an application service provider environment, and/or on the Internet or Intranet.

2.2. **Multiplexing.** With respect to any Server Edition or Workstation/Workgroup Edition Concurrent User License (but not applicable to a Server Edition Internet or Server Edition Intranet License or to Vx Server Edition), hardware or software You use to pool connections, reroute information, and reduce the number of Terminals, Servers or users that directly access or use the Server Software, or reduce the number of Terminals, Servers or users the Server Software directly manages (sometimes referred to as “multiplexing” or “pooling”), does not reduce the User Count that You need; the required User Count equals the number of distinct inputs to the multiplexing or pooling software or hardware “front end”.

2.3 **Use of Trial Software.** Trial Software is licensed for the purpose of evaluation, testing and benchmark runs of the Server Software only. In no event shall You use the Trial Software for development, production or commercial purposes.

2.4 **Pre-Release Software.** Notwithstanding anything to the contrary in this Agreement, if the Server Software provided to You under this Agreement is pre-release or beta software, then You may not distribute or deploy such pre-release or beta software outside Your testing environment. Neither Pervasive nor its suppliers will be liable for any damages whatsoever relating to Your use of such pre-release or beta software.

2.5 **Open Source Software.** The Server Software includes third party open source code software (“Open Source Software”). Any Open Source Software provided hereunder is provided pursuant to such Open Source Software license terms and conditions. Pervasive has the right to replace software provided to You as part of Open Source Software with software that has similar functionality. The license terms associated with Open Source Software require that Pervasive provide copyright and license information to You. A list of the Open Source Software included in the Server Software and available to You from Pervasive, the applicable license terms, and how to

obtain the Open Source Software (if not already provided to You as part of the Server Software) are provided in the Server Software notice.txt file or similar file, and/or accompanying documentation. Any provisions in this Agreement which differ from any Open Source Software license are offered by Pervasive alone and not by any other party. ALL OPEN SOURCE SOFTWARE IS PROVIDED ON AN “AS IS” BASIS, AND PERVASIVE DISCLAIMS ALL WARRANTIES WITH REGARD TO OPEN SOURCE SOFTWARE, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL PERVASIVE OR ITS LICENSORS BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR SPECIAL DAMAGES OR ANY OTHER DAMAGES WHATSOEVER, WHETHER IN AN ACTION OF CONTRACT, NEGLIGENCE, OR OTHER TORTIOUS ACTION, ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE OPEN SOURCE SOFTWARE EVEN IF PERVASIVE OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH LOSSES OR DAMAGES ARE FORESEEABLE. THIS LIMITATION WILL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM PERVASIVE’S OR ITS LICENSORS’ NEGLIGENCE TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION.

2.6 License Terms for Updates. Any Updates made available to You by Pervasive shall be considered part of the Server Software and subject to the terms and conditions of this Agreement. Additional license terms may accompany Updates. By installing, copying, or otherwise using any Update, You agree to be bound by the terms accompanying each such Update. If You do not agree to the additional license terms accompanying such Updates, do not install, copy, or otherwise use such Updates.

3. RESTRICTIONS

You may use the Server Software and Documentation solely in accordance with the Documentation. You will take all reasonable steps to protect the Server Software and Documentation from unauthorized copying or use. The Server Software source code represents and embodies trade secrets of Pervasive or its licensors. The source code and embodied trade secrets are not licensed to You and any modification or addition thereto, or deletion therefrom is strictly prohibited. You will not disassemble, decompile, or otherwise reverse engineer the Server Software, except and only to the extent that applicable law expressly permits such actions, despite this limitation. Except as expressly authorized in this Agreement, You will not use, rent, lease, sublicense, distribute, transfer, copy, reproduce, display, modify, create derivative works of, time share or dispose of the Server Software or Documentation or any part thereof. Except with the express written consent of Pervasive, or as expressly permitted in Section 2 with respect to Server Edition Internet Licenses or with respect to Vx Server Edition, You may not use the Server Software to host applications for third parties or to provide service bureau, time-sharing or other computer services to third parties. If You received this Server Software bundled with or embedded with any other software application (e.g., from an Authorized Reseller or OEM of Pervasive), You may only use the Server Software with such software application.

4. AUTHORIZATION; VALIDATION. In order to use the Server Software, You will need to obtain authorization to use the Server Software. “Authorization” associates the use of the Server Software with a specific Server. After Authorization, Pervasive may verify that use of the Server Software has been authorized and that the Server Software is properly licensed (“Validation”). Validation may re-occur on a periodic basis, when the Server Software is restarted and may also occur during Server Software installation, un-installation, updates and license management activities. For Vx Server Edition, You are required to enable Internet access in order to permit automatic periodic validation by Pervasive. If the Server fails Validation during a periodic Validation check, Validation checks may occur on a more frequent basis until the Server Software achieves Validation or Pervasive suspends or terminates Your use of the Server Software in order to prevent unlicensed use. In most instances where Pervasive is unable to validate the Server Software, You will have notice (via an alert or log in the Server Software) before any such suspension or termination in order to permit You to obtain a valid license for the Server Software. Failure by Pervasive to suspend or terminate your use of the Server Software despite having an invalid license does not constitute a waiver by Pervasive of any rights or remedies Pervasive may have for Your unauthorized use of the Server Software. In the event You uninstall the Server Software and reinstall on a different Server during the transfer itself or during a subsequent upgrade process You may be required to repeat on-line Authorization

and/or Validation of your Server Software. For purposes of clarification, except as may be permitted pursuant to a Vx Server Edition Multi-Server License, You may not copy the Server Software and install such additional copy on a Server without the payment of additional license fees. During Authorization and any subsequent Validation, the Server Software will send information about the Server Software and Server to Pervasive. The information sent to Pervasive includes, but is not limited to, (i) product authorization key, (ii) information derived from the hardware configuration of the Server, such as host name, hard drive serial number, NIC card MAC addresses, BIOS firmware, CPU type and OS type, and (iii) information about existing or past Pervasive installations and items of a similar nature. For more information about what is sent during Server Software authorization and validation, see <http://www.pervasivedb.com>. By using the Server Software and Documentation, You consent to the transmission of this information during Server Software Authorization and/or Validation.

5. OWNERSHIP. Ownership of all right, title, and interest in and to the Server Software and Documentation (including any copies) and any and all intellectual property rights embodied therein will be vested solely in Pervasive and its licensors. Copies are provided to You only to allow You to exercise Your rights under this Agreement. The Server Software is being licensed, not sold. Pervasive and its licensors reserve all rights not expressly granted to You. Subject to the rights expressly granted to You herein, nothing in the Agreement shall be construed directly or indirectly to assign or grant to You any right, title or interest in or to trademarks, copyrights or trade secrets of Pervasive or its licensors.

6. TRADEMARKS. You will not remove or in any manner alter or obscure the copyright, trademark, and other proprietary rights notices of Pervasive and its licensors appearing on the Server Software or documentation. You will have no right to register or seek to register any of Pervasive's or its licensors' trademarks, service marks, or trade names, or add any other notices or markings to the Server Software or Documentation.

7. ASSIGNMENT. You may not assign or otherwise transfer in whole or in part or in any manner any rights, obligations, or any interest in or under this Agreement without Pervasive's prior written consent and any attempted assignment will be void. A merger or other acquisition by a third party will be treated as an assignment. Pervasive may at any time and without Your consent assign all or a portion of its rights and duties under this Agreement.

8. TERM AND TERMINATION. This Agreement is effective from the date You download or install the Server Software and will remain in force until terminated. The term of this Agreement with respect to Trial Software is governed by the key delivered with the Trial Software at the time of download. However, in no event will the term of the license for Trial Software be more than thirty (30) days from the date of installation without express written approval from Pervasive. You may terminate this Agreement at any time by destroying the Documentation and the Server Software together with all copies and adaptations thereof. This Agreement will terminate immediately without notice from Pervasive if You fail to comply with any terms of this Agreement. Upon termination of this Agreement by Pervasive, You will return the media on which you received the Server Software, if any, You will destroy all other copies of the Server Software and Documentation, and upon request, You will certify such destruction to Pervasive. Sections 2.3 - 2.6, 3, 5, 7, 8, 9.2, 9.3, 10, and 11 of this Agreement, and the terms of Section 12, will survive any termination hereof.

9. LIMITED WARRANTY

9.1 Digital Media and Documentation. Pervasive warrants that if the digital media or Documentation are in a damaged or physically defective condition at the time that the Server Software is delivered to You and if they are returned to Pervasive within ten (10) days of delivery, then Pervasive will provide You with replacements at no charge.

9.2 DISCLAIMER OF WARRANTY. PERVASIVE LICENSES THE SERVER SOFTWARE TO YOU UNDER THIS AGREEMENT SOLELY ON AN "AS IS" BASIS. EXCEPT AS EXPRESSLY PROVIDED IN SECTION 9.1, PERVASIVE MAKES NO REPRESENTATIONS, CONDITIONS OR WARRANTIES WHATSOEVER,

EITHER EXPRESS OR IMPLIED, REGARDING THE SERVER SOFTWARE AND DOCUMENTATION; PERVASIVE EXPRESSLY STATES AND YOU ACKNOWLEDGE THAT PERVASIVE DOES NOT MAKE ANY REPRESENTATIONS, CONDITIONS OR WARRANTIES, INCLUDING, FOR EXAMPLE, WITH RESPECT TO MERCHANTABILITY, TITLE, NONINFRINGEMENT, FITNESS FOR ANY PARTICULAR PURPOSE, OR ARISING FROM COURSE OF DEALING OR USAGE OF TRADE, AMONG OTHERS.

9.3 High Risk Activities. The Server Software is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments regarding fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the Server Software could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). Pervasive and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities.

10. LIMITATION OF LIABILITY

10.1 PERVASIVE'S AGGREGATE LIABILITY ARISING FROM OR RELATED TO THIS AGREEMENT OR THE SERVER SOFTWARE OR DOCUMENTATION IS LIMITED TO THE TOTAL OF ALL PAYMENTS MADE BY OR FOR YOU FOR THE SERVER SOFTWARE UNDER THIS AGREEMENT.

10.2 CONSEQUENTIAL DAMAGES. IN NO EVENT WILL PERVASIVE OR ITS LICENSORS BE LIABLE TO YOU FOR INDIRECT, INCIDENTAL, EXEMPLARY, PUNITIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT, WHETHER UNDER THEORY OF WARRANTY, TORT, PRODUCTS LIABILITY OR OTHERWISE EVEN IF PERVASIVE OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH LOSSES OR DAMAGES ARE FORESEEABLE. THIS LIMITATION WILL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM PERVASIVE'S OR ITS LICENSORS' NEGLIGENCE TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION.

11. GENERAL CONDITIONS

11.1 Governing Law. This Agreement will be governed by, and interpreted in accordance with, the laws of the State of Texas (U.S.A.) exclusive of its choice of law provisions. This Agreement expressly excludes the United Nations Convention on Contracts for the International Sale of Goods.

11.2 Complete Understanding. This Agreement sets forth the entire understanding and agreement between You and Pervasive with respect to the subject matter hereof and may be amended only in writing signed by both parties. NO VENDOR, DISTRIBUTOR, DEALER, RETAILER, SALES PERSON OR OTHER PERSON IS AUTHORIZED TO MODIFY THIS AGREEMENT OR TO MAKE ANY WARRANTY, REPRESENTATION OR PROMISE WHICH IS DIFFERENT THAN, OR IN ADDITION TO, THIS AGREEMENT ABOUT THE SERVER SOFTWARE.

11.3 Waiver. No waiver of any right under this Agreement will be effective unless in writing, signed by a duly authorized representative of Pervasive. No waiver of any past or present right arising from any breach or failure to perform will be deemed to be a waiver of any future right arising under this Agreement.

11.4 Audit. You are responsible for ensuring that the number of Concurrent Users accessing the Server Software does not exceed the User Count, and You will maintain sufficient records, logs and other materials ("Records") sufficient to document that Your use of the Server Software is in accordance with the terms of this Agreement for a minimum of five years after You cease to use the Server Software. Pervasive has the right to audit such Records upon reasonable notice.

11.5 Severability. If any provision in this Agreement is held invalid or unenforceable, then that provision will be construed, limited, modified or, if necessary, severed, to the extent necessary, to eliminate its invalidity or unenforceability, and the other provisions of this Agreement will remain unaffected.

11.6 Export Controls. None of the Server Software or underlying information or technology may be downloaded or otherwise exported or re-exported (i) into (or to a national or resident of) any country to which the U.S. has embargoed goods; or (ii) to any person or entity on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Commerce Department's Table of Denial Orders, or the U.S. Commerce Department's Entity List of Missile, Nuclear, and Chemical and Biological Weapons Proliferators, or the U.S. Department of State's Foreign Terrorist Organization List. You agree to the foregoing and You represent and warrant that You are not located in, under the control of, or a national or resident of such country or on any such list. The Server Software may also be subject to U.S. laws and export regulations of the U.S. Government that require an explicit export license before any export or re-export of the Server Software. You will obtain any such explicit export license that may be required.

11.7 U.S. Government End Users. If You are an agency, department, or other entity of the U. S. Government ("Government"), then the use, duplication, reproduction, release, modification, disclosure or transfer of the Server Software and Documentation is restricted in accordance with Federal Acquisition Regulation ("FAR") 12.212 for civilian agencies and Defense Federal Acquisition Regulation Supplement ("DFARS") 227.7202 for military agencies. The Server Software and Documentation are commercial computer software and commercial computer software documentation. The use of the Server Software and Documentation is further restricted in accordance with the terms of this Agreement, or any modification thereto. The Contractor/Manufacturer is Pervasive Software Inc., 12365 Riata Trace Parkway, Building B, Austin, Texas, 78727.

11.8 Operating System. It is Your responsibility to fully comply with applicable license agreements for any operating systems or other software You may use with the Server Software.

11.9 Results of benchmark tests or other performance tests run on the Server Software may not be disclosed to any third party without Pervasive's prior written consent.

11.10 English is the controlling language of this Agreement.

12. JAVA RUNTIME ENVIRONMENT

Depending on installation options, the Server Software may include the JAVA SE RUNTIME ENVIRONMENT (JRE) 6 from Oracle Corporation ("Oracle"). The Binary Code License Agreement from Oracle governs the JAVA SE RUNTIME ENVIRONMENT (JRE) Version 6. By accepting the Pervasive PSQL v11 License Agreement, You also agree to accept the terms and conditions of the Binary Code License Agreement and the Supplemental License Terms from Oracle for the JAVA SE RUNTIME ENVIRONMENT (JRE) VERSION 6 and JAVAFX RUNTIME, a copy of which is in the Server Software "about box," notice.txt file or similar file, or accompanying documentation.
