Special Datalogic 9800i Pricing – Through December 2013

September 23, 2013

Retalix is offering dramatically reduced pricing on all Datalogic 9800i scanner/scale configurations through the rest of this year.

- All Datalogic Magellan 9800i models have been discounted.
- Savings range from \$141 to \$199 per unit depending upon the configuration.
- The special pricing is the same for quantity-one or 100 – all volume purchase requirements have been removed.
- To ensure supply, order by December 2. Shipments must be complete by December 27.

Please see the special pricing sheets attached for the 9800i configurations. The Special Dealer Price in effect is provided in red along with the usual Dealer Net Price.
