

PRODUCT

Datalogic Falcon Mobile Computing Products

MB-POS-1212, Issue 9
May 10, 2019

This Issue 9 provides the Falcon 4, which replaced the Falcon X3+ which has been withdrawn. Versions with the 1-D and 2-D imager are available, and both are compatible with the previous X3/X3+ accessories and applications. Changes of significance are highlighted in RED.

NCR offers Datalogic Falcon® X4 terminal products and accessories to Channel Partners at excellent prices.

These hand-held RF terminals are certified for use with ISS45, ScanMaster, ABO, PocketOffice, legacy RBO (4.8.0) solutions and Retailix Store/HQ systems.

Orders placed with NCR will be shipped directly to the Channel Partner.

The Datalogic Falcon 4 mobile computer delivers the ultimate in ruggedness, ergonomics, computing and data capture technologies. See the Datalogic specifications and features provided on the data sheet attached.

The following pages provide information and pricing on the Falcon X3+.

Datalogic Falcon X4 Hand-Held Terminal

FALCON X4 WARRANTY

The Falcon X4 is warranted for one year. Channel Partners may purchase an extended or enhanced warranty for themselves or on behalf of users. See the Extended Warranty section below.

The standard one-year warranty service provides 10-day turnaround. The enhanced warranty services upgrades this first year to the faster and otherwise improved terms of the enhanced warranty selected.

In cases of early-failure (DOA or first 30 days), NCR will issue the Channel Partner an RMA for returns to Datalogic.

For standard warranty fulfillment, Channel Partners contact with Datalogic's warranty support group directly. Call 888-HELP-PSC (888-435-7772) for information.

FALCON X4 DOCUMENTATION

All Datalogic user, installation and technical documentation is available from Datalogic.

FALCON X4 SALES COLLATERAL MATERIAL

Brochures, data sheets etc. for the Falcon X4+ are available from Datalogic.

FALCON X4 EASE OF CARE EXTENDED WARRANTY AND SERVICE

Extended warranty and service plans for the Falcon X4 can now be purchased directly from NCR at discounted rates. See the pricing and configuration section of this bulletin.

The "continuous" warranty plans can only be purchased prior to the expiration of the previous warranty or Ease of Care plan. "Continuous" plans may continue to be purchased year-to-year until the end of "service life" — which is five (5) years after the product's withdrawal from sale.

One "non-continuous" Ease of Care option is provided by Datalogic which enables a user to get back on an Ease of Care plan in cases where the original warranty or Ease of Care plan has lapsed. This non-continuous plan (PSC-ZSN5FX311) can be purchased for one year and provides 5-day service only, but this plan can be upgraded to a "continuous" plan at lower pricing for subsequent years. This "non-continuous" plan may be purchased at any time as long as service is available on the terminal.

The terms of the extended warranty depend upon the Ease of Care package selected. These options are described below, and a brochure from Datalogic on the Ease of Care program is available from Datalogic.

EASE OF CARE SERVICE PLANS

The Ease of Care **Overnight Replacement Comprehensive Program** upgrades the initial one-year warranty period to these enhanced services:

- Next-day product replacement
- Datalogic owns and manages the spares pool on your behalf; no "extra" units to buy
- Datalogic pays all shipping via second-day air
- Normal wear and tear, component and parts failures, and incidental damage are all covered
- Coverage for damaged battery doors, tethered stylus, hand straps and screen protectors, when damaged and shipped together with a defective unit
- Strict conformance using factory parts and procedures
- Wavelink® TE and Avalanche software maintenance

- Durations available: 3-year, 5-year, 1-year continuous coverage
- Requires minimum purchase of coverage for 20 units per model type and configuration.

The Ease of Care **2-Day Comprehensive Program** upgrades the initial one-year warranty period to these enhanced services:

- Two (2) business day repair turnaround
- Datalogic pays all shipping via second-day air
- Normal wear and tear, component and parts failures, and incidental damage are all covered
- Coverage for damaged battery doors, tethered stylus, hand straps and screen protectors, when damaged and shipped together with a defective unit
- Repair to factory operational and cosmetic standards
- Strict conformance using factory parts and procedures
- Wavelink® TE and Avalanche software maintenance
- Durations available: 3-year, 5-year, 1-year continuous coverage.

The Ease of Care **5-Day Program** upgrades the initial one-year warranty period to these enhanced services:

- Five (5) business day repair turnaround
- Datalogic pays all shipping via second-day air
- Repair to factory operational standards
- Strict conformance using factory parts and procedures
- Wavelink® TE and Avalanche software maintenance
- Durations: 3-year, 5-year, 1-year continuous coverage, or 1-year non-continuous coverage.

All 3-year and 5-year Ease of Care plans must be purchased within sixty (60) days of the initial Falcon X4 purchase.

CHOICE OF WINDOWS EMBEDDED OR ANDROID™ OPERATING SYSTEMS

Legendary Falcon with upgraded performance! The Falcon™ X4 mobile computer features a high performance multicore 1 GHz architecture that offers blazing speed when running Windows Embedded Compact OS and allows easy upgradeability to the Android™ OS. Users will never run out of memory with the standard 1 GB RAM and 8 GB Flash.

REAL-TIME DATA CAPTURE AND COMMUNICATIONS

Capture bar codes using Datalogic 1D and 2D imaging technologies. Communicate over a superior TI 802.11 a/b/g/n radio with CCX v4 compliance and MIMO technology for improved connectivity and coverage, or through wired standards including USB Hi-Speed, RS-232, Modem and Ethernet. Bluetooth® wireless technology v4 provides support for the new low energy mode (BLE) and for improved voice recognition via wide band audio.

ERGONOMIC AND RUGGED

Users feel the full shift difference of ergonomic handheld and pistol grip form factors to balance a 3.5 inch crystal clear display, full numeric or alphanumeric back-lit keyboards, and a one piece 5,200 mAh battery. With the best ergonomics in this market segment, the Falcon X4 mobile computer reduces operator fatigue with no compromise in terms of reliability and robustness, resisting harsh environments, repeated drops, strong shocks and repetitive tumbles.

EASY AND INTUITIVE

Develop custom solutions using the industry-leading Datalogic Software Development Kit (SDK). Deploy quickly with the included Datalogic utilities or your preferred device management solution. Manage your installed devices using the pre-licensed Wavelink Avalanche or leverage the pre-licensed Wavelink Terminal Emulation (WEC7 only).

NOTE: The Android robot is reproduced or modified from work created and shared by Google and used according to terms described in the Creative Commons 3.0 Attribution License.

FEATURES

- Full-shift hot swappable battery
- 3.5 inch touchscreen display
- Ruggedized with 1.8 m / 6.0 ft drop to concrete and IP65 sealing rating
- Choice of 1D or 2D imagers featuring Datalogic's patented 'Green Spot' technology for good-read feedback
- Auto Range (AR) 2D scans from near to extremely far distances
- Choice of Microsoft Windows Embedded Compact 7 or Android v4.4
- TI 802.11 a/b/g/n radio with CCX v4 compliance and featuring MIMO antenna technology
- 1 GB RAM / 8 GB Flash memory
- Bluetooth wireless technology v4.0 with BLE (low energy) and Wide Band Audio for improved speech recognition (Android models only)
- Corning® Gorilla® Glass 3 scan window
- WEC7 units include:
 - Wavelink® Avalanche™ and Terminal Emulation pre-installed and pre-licensed; Pal pre-installed and pre-licensed
- WEC7 models upgradable to Android 4.4
- Now with DPM support on 2D models
- Attachable handle (and orderable pre-installed)
- EASEOFCARE Service Plans offer a wide range of service options to protect your investment, ensuring maximum productivity and ROI

INDUSTRY-APPLICATIONS

- Warehouse and Distribution Centers: Retail, Wholesale, Manufacturing, Automotive/Industrial, Electronics, Food/Beverage, Consumer Products, Pharmaceutical, Third Party Logistics (3PL)
 - Receiving
 - Cross Docking
 - Put Away
 - Staging
 - Voice Picking
 - Shipping
 - Cycle Count
 - Inventory
 - Shelf Replenishment
 - Price Management
 - Order Entry
 - Assisted Sales
 - Production Control

TECHNICAL SPECIFICATIONS

WIRELESS COMMUNICATIONS

LOCAL AREA NETWORK (WLAN)	T1 Wi-Link 8, IEEE 802.11a/b/g/n; Frequency Range: Country dependent, typically 2.4 and 5 GHz; Cisco CCX v4 compliant
PERSONAL AREA NETWORK (WPAN)	Bluetooth wireless technology v4 with BLE (Android models); Bluetooth v2.1 + EDR (WEC7 models)

DECODING CAPABILITY

1D / LINEAR CODES	Auto discriminates all standard 1D codes including GS1 DataBar™ linear codes.
2D CODES	Aztec Code, Data Matrix, MaxiCode, PDF417, MicroPDF417, Micro QR Code, QR Code
POSTAL CODES	Australian Post, Japanese Post, KIX Code, Royal Mail, USPS Intelligent Mail, USPS PLANET, USPS, Postnet
STACKED CODES	GS1 Composite Codes UPC/EAN/JAN Composites, GS1 DataBar Composites and GS1-128 Composite

ELECTRICAL

BATTERY	Removable battery pack with rechargeable Li-ion batteries; 3.7 V 5200 mAh (19.2 Watt hours)
---------	---

ENVIRONMENTAL

DROP RESISTANCE	Withstands drops from 1.8 m / 6.0 ft onto concrete follow IEC68-2-32 (Method 1) and 1500 random drops from 1.0 m / 3.3 ft follow EC68-2-32 (Method 2)
PARTICULATE AND WATER SEALING TEMPERATURE	IP65 Operating: -20 to 50 °C / -4 to 122 °F Storage: -30 to 70 °C / -22 to 158 °F

INTERFACES

INTERFACES	Main connector with USB 2.0 High Speed Host (480 Mbps) and Client, RS-232 up to 115.2 Kbps; Ethernet or Modem: via single-slot dock (external module)
------------	---

PHYSICAL CHARACTERISTICS

AUDIO	Integrated microphone, high-volume speaker
DIMENSIONS	Handheld: 22.5 x 8.8 x 5.5 cm / 8.9 x 3.5 x 2.2 in; 6.4 x 4.0 cm / 2.5 x 1.6 in at keyboard Pistol grip: 22.5 x 8.8 x 16.8 cm / 8.9 x 3.5 x 6.6 in
DISPLAY	Reflective TFT daylight readable color display, 240 x 320 pixels, 8.9 cm / 3.5 in diagonal, 65K colors, backlight, touchscreen
KEYBOARD	Polycarbonate hard cap keyboards with backlight; 29-key numeric, 29-key functional numeric or 52-key alphanumeric with discrete navigation
WEIGHT	Hand held: 602.0 g / 21.2 oz Pistol grip: 668.0 g / 23.6 oz

SAFETY AND REGULATORY

AGENCY APPROVALS	The product meets necessary safety and regulatory approvals for its intended use. The Users Manual for this product can be referred to for a complete list of certifications.
ENVIRONMENTAL COMPLIANCE	Complies to EU RoHS
LASER CLASSIFICATION	VLD - Class 2 IEC/EN60825-1. Compliant with 21 CFR 1040.10 except for deviations pursuant to laser notice Number 50, dated June 24, 2007.
LED CLASSIFICATION	Exempt Risk Group IEC/EN62471

READING PERFORMANCE

2D IMAGER (STANDARD RANGE)	Megapixel sensor for extended range; White LED Illumination Optical Resolution: 1D codes: 3 mils; 2D codes: 6.6 mils Depth of Field (typical): 4.5 to 74 cm / 1.7 to 29.1 in (13 mil/EAN), depending on bar code density and type; DPM Support Optical Resolution: 1D codes: 3 mils; 2D codes: 10 mils Depth of Field (typical): 10 mil/Code 39: 0.15 to 15.0 m / 0.5 to 49.2 ft 55 mil/Code 39: up to 8 m / 26.2 ft 100 mil/Code 39: more than 15 m / 49.2 ft 10 mil/Datamatrix: 0.15 to 0.9 m / 0.5 to 3 ft 55 mil/Datamatrix: up to 4.8 m / 15.7 ft 100 mil/Datamatrix: up to 8 m / 26.2 ft
AUTO RANGE 2D	2500 pixel sensor; Sharp green LED scan line Optical Resolution: 2.5 mils (linear codes) Depth of Field: 4.0 to 74 cm / 1.5 to 29.1 in (13 mil/EAN), depending on bar code density and type
1D IMAGER	All scan engines feature Corning® Gorilla® Glass 3 scan window
SCAN WINDOW	

SOFTWARE

APPLICATIONS CONFIGURATION & MAINTENANCE	Pal Application Library pre-licensed (WEC7 only) Wavelink Avalanche® pre-licensed (WEC7 only), 42 Gears SureLock pre-licensed for device lockdown (Android only); SOTI MobiControl (optional), Datalogic xPlatform Utility (DXU) pre-licensed, Datalogic Desktop Utility (DDU) pre-licensed for device lockdown (WEC7 only)
DEVELOPMENT	WEC7: Datalogic Windows SDK™ Android: Datalogic Android SDK, Xamarin SDK
BROWSER	SureFox locked web browser pre-licensed for WEC7 and Android models
TERMINAL EMULATION	Wavelink® Terminal Emulation™ pre-licensed (for WEC7 models only); StayLinked SmartTE (for Android); Wavelink Velocity (for Android)

SYSTEM

AUDIO	Wideband Speech (HD Audio) supported on Android
EXPANSION SLOTS	Micro Secure Digital slot (SDHC) up to 32 GB, user-accessible
MICROPROCESSOR	TI OMAP4 @ 1 GHz
MEMORY	RAM Memory: 1 GB Flash Memory: 8 GB (partially used for firmware and reserved data)
REAL-TIME CLOCK	Time and date stamping under software control
OPERATING SYSTEM	Microsoft Windows Embedded Compact 7 (WEC7) or Android v4.4*

*OS swap from WEC7 to Android 4.4 or from Android 4.4 to WEC7 is supported on all Falcon X4 configurations. The OS swap must be performed at a Datalogic Service Center.

WARRANTY

WARRANTY	1-Year Factory Warranty
----------	-------------------------

Caution: Laser Radiation - do not stare into beam

ACCESSORIES

Docks

- 94A150057 Single Slot Dock w/ Spare Battery Charging Slot

- 94A150056 Multi-Ethernet Dock Charges 4 terminals and 4 Batteries

- 94A151131 Vehicle Dock

Battery Chargers

- 94A151137 Multi Battery Charger

- 94A151135 Multi Charge Only Dock Charges 4 terminals and 4 Batteries

Cases/Holsters

- 94ACC0104 Rubber Boot

- 94ACC0047 Standard Softcase with Quick Release Belt Clip

The Overnight Comprehensive program requires minimum purchase of coverage for 20 units per model type and configuration.</p>			Partner Net Price: \$623.
7952-K600-V011	— Datalogic Falcon X3 Ease of Care Comprehensive Coverage Overnight, One Year, Continuous	\$250		
Overnight	<p>This item was previously listed as StoreNext PIN: PSC-ZSC1FX3C1.</p> <p>¶-Covers one year of extended continuous coverage after expiration of the first-year warranty or subsequent Ease of Care packages. ¶-The Ease of Care Overnight Comprehensive Program provides next business day repair turnaround; Freight (two-day) paid both ways; Datalogic owns and manages the spares pool on your behalf - no "extra" units to buy; Normal wear and tear, component and parts failures, and incidental damage are all covered; Coverage for damaged battery doors, tethered stylus, hand straps and screen protectors, when damaged and shipped together with a defective unit; Repair to factory operational and cosmetic standards; Strict conformance using factory parts and procedures; Wavelink® TE and Avalanche software maintenance. ¶-The 1-year continuous plans must be purchased prior to expiration of the previous warranty or Ease of Care plan. Continuous plans may be successively purchased year-to-year until the end of "service life," which is five (5) years after the product's withdrawal from sale. The Overnight Comprehensive program requires minimum purchase of coverage for 20 units per model type and configuration. If the warranty or Ease of Care support plan has lapsed, coverage may be re-started using the non-continuous 1-year plan (PSC-ZSN5FX311).</p>

Datalogic Falcon X4 Service Plans: Non-Continuous/Restart		List Price	Install Price	Maint Price
PIN	Description			
7952-K600-V150	— Datalogic Falcon X3 Ease of Care Coverage 5-Day Turnaround, One Year, Non-Continuous	\$175		
Standard	<p>This item was previously listed as StoreNext PIN: PSC-ZSN5FX311.</p> <p>¶-Provides one year of coverage if the first-year warranty or a subsequent Ease of Care package has expired and the product is no longer warranted. This plan does not require continuous service - it can be purchased even if the warranty or prior plan has expired, but it is more expensive than the continuous plans. If this plan has been purchased, one of the Annual Continuous plans may be purchased prior its expiration at lower cost for ongoing service. If the warranty or Ease of Care is still current, do not use this non-continuous plan: use instead one of the continuous plan offerings at lower cost. ¶-The Ease of Care 5-Day Program provides 5 business day repair turnaround; Freight (two-day) paid both ways; Repair to factory operational standards (but not cosmetic standards); Strict conformance using factory parts and procedures; Wavelink® TE and Avalanche software maintenance. ¶-This 1-year plan for 5-day service may be purchased at any time during the service life of the product which is up to five (5) years after the product's withdrawal from sale. This 5-day service plan is the ONLY non-continuous plan available; two-day and overnight non-continuous plans are not offered by Datalogic.</p>		Partner Net Price: \$130.
