

Update Bulletin

RBO Free with ScanMaster Express and Espresso

June 1, 2007

StoreNext is pleased to announce that a full RBO license may now included with ScanMaster Express and Espresso full-system orders at no additional charge. RBO's DSD option may also be added at no charge when a PSC/Datalogic Falcon hand-held terminal accompanies the order.

The offer is for the full RBO system - not an "RBO Lite" or any such secondary product. This ScanMaster/RBO combination leapfrogs any competing POS/Back Office in the market. This offer is made for shipments through 2007, and may be extended by StoreNext.

ORDERING

To receive the RBO items, customers must "opt in" by ordering the appropriate PINs:

PIN	Item	Price	Inst	Maint
RB200SPSN	RBO ScanMaster Packaged License	\$ 0	\$ 500	\$ 539
NT130PHWSN	RBO DSD Receiving Option Packaged License - with order of PSC/Datalogic Falcon	0	N/A	225
NT130PSN	RBO DSD Receiving Option Packaged License - no Falcon Hardware	1,295	N/A	225

THE FINE PRINT

- The offer is available immediately. Any qualifying orders in-house which have not yet shipped may have the items added.
- The free RBO offer is for ScanMaster Express and Espresso orders, including ScanMaster Mocha systems. Full-system "Standard" (non-Express/non-Espresso) ScanMaster systems of five lanes or less also qualify.
- Full terminal systems must be ordered: core packages, for example, must include printers, displays and keyboards (or touch displays) to qualify.
- The free DSD offer is only applicable on orders which include (1) a qualifying free RBO license under this offer and (2) a PSC/Datalogic Falcon hand-held terminal. See Product Bulletin 1212 for PSC/Datalogic Falcon mobile computing products.
- If no Falcon terminal is purchased, customers may order the NT130PSN PIN instead at \$1,295 list price (compared to the usual \$2,500 list price for the DSD/Receiving option). Standard dealer RBO discounts apply on this item.

This document and information are supplied to StoreNext Retail Technologies personnel and third parties to assist them in doing business with StoreNext. They are not to be used or distributed for any other purpose.

StoreNext Retail Technologies LLC endeavors to ensure that the information in this document is correct and fairly stated, but does not accept liability for any error or omission.

- To get RBO and the DSD option, the appropriate PINs above must be added to the qualifying P.O. at time of order. If the PINs are not ordered, the licenses will not be included. Use the RBO Order Form, available from the RBO All-In-One Page of the StoreNext Dealer Support Web site.
- Software Maintenance and Support will be charged for users “opting in” by ordering these RBO items. The SMS pricing quoted below is for standard business hours (8-5/M-F). Customers may receive 24/7 maintenance at 18% of the standard list prices for the items ordered. Otherwise, standard terms and conditions apply.
- The standard RBO shipping charge of \$28 applies to this offer.
- If not extended, this offer ends December 31, 2007.

To Your Success,

Anthony van Seventer
