

Liberty and justice for **you.**

*StoreNext levels the technology
playing field for every independent
grocer. Including you.*

If you're an independent grocer looking for ways to take your stores to the next level, take a closer look at StoreNext.

We're 100% dedicated to serving the technology needs of independent grocers and regional chains. And we offer a full line of products and services – from POS systems and equipment, to electronic payments, to Web-based applications and more – specifically designed for you.

CONNECT WITH OUR CONNECTED SERVICES™

Our suite of Web-based software is just one of our many offerings — one that offers you a powerful subscription-based service for as little as \$15 per week.

Financial reporting. Loss prevention. Item and category sales analysis. Direct store delivery and other modules. With StoreNext Connected Services, you can start with a single module and add more applications later, or take full advantage of the entire suite from the very beginning.

It's as easy — and affordable — as that. Why wait when your payback is immediate?
