ScanMaster Change-Due Off The Screen — Workaround (TD7119)

SM-TECH-05:34
August 29, 2005

When ScanMaster is used with the Fujitsu 92-key configuration, the "Change Due" text can move off the screen due to font problems.

Use the following workaround:

1. Go to Settings
2. Control Panel
3. Fonts
4. Drag and drop the following 2 fonts to the desktop of the register PC.
 - ****COURDW.TTF** - Courier Dbl Wide
 - ****COURBDDW.TTF** - Courier Bold Dbl Wide
5. Restart the ScanMaster application
6. This will return the Change Due text and return amount to the screen.
7. Restart the ScanMaster application

To Your Success,

Bart
