ScanMaster Pervasive v10 Install Error with Windows 2000 Professional

SM-TECH-09:13
August 3, 2009

Pervasive version 10 Workgroup has an issue when installing POS terminal that is using Windows 2000 Professional.

During the install of Pervasive Workgroup you will get a w3dbsmgr (24.4.8591) error.

To resolve, click through error and reboot POS. POS will connect online and then POS will function normally.
