ScanMaster SRR Automatic Export at EOD

SM-TECH-09:10
June 18, 2009

Question: Is there a way to automatically export the SRR during the EOD?

Answer: Yes, you can include SM2SRR /P in the EOD script file located in Landrive:\grocery\sm2eod.scr.

This will export the spreadsheet file (SSMMDDYY.XLS) to Landrive:\Grocery\FFPBTEMP folder.
