

Subject: Genesis Bag Scale Label – Canada Only

Overview

It has recently been discovered that a label that is required by the Canadian Weights & Measures is missing from all Genesis units installed in that geography.

Solution

A new label will be added to all new production units and installed units within Canada.

11003413 Label, Not Legal For Trade, Bag Scale

Label Installation

Bag Scales: A single label is to be applied to the front edge of the Bag Scale Platter.

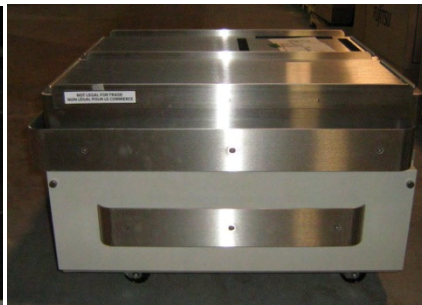

Carousel: 2 Labels are to be applied, 180 degrees apart on the front edge of the Carousel Platter.

Time to install: <1 minute

Tools needed: None

Bag Scale

Bag Scale

Carousel (1 label shown)

- Clean the area for the label with Alcohol or Acetone
- Let dry completely
- Peel protective back off of label
- Apply label
 - Straight and Square
 - Press from one end of the label to the other, to eliminate any bubbles or creases
- Done.

Impact

- Production All units manufactured/shipped after September 01, 2009 will have this change implemented.
- Installed Units Labels are to be applied on a Fit-On-Fail or Next Visit basis. Sufficient quantity of labels provided.
 - Applies to Canadian Genesis Units with Bag Scale or Carousel only.
 - Units that are installed in Lab or otherwise not used for actual sales do not need to have this label installed.
- Repair Center N/A
- Service Spares N/A
