

Subject: F53 Additional Denomination Module Kit

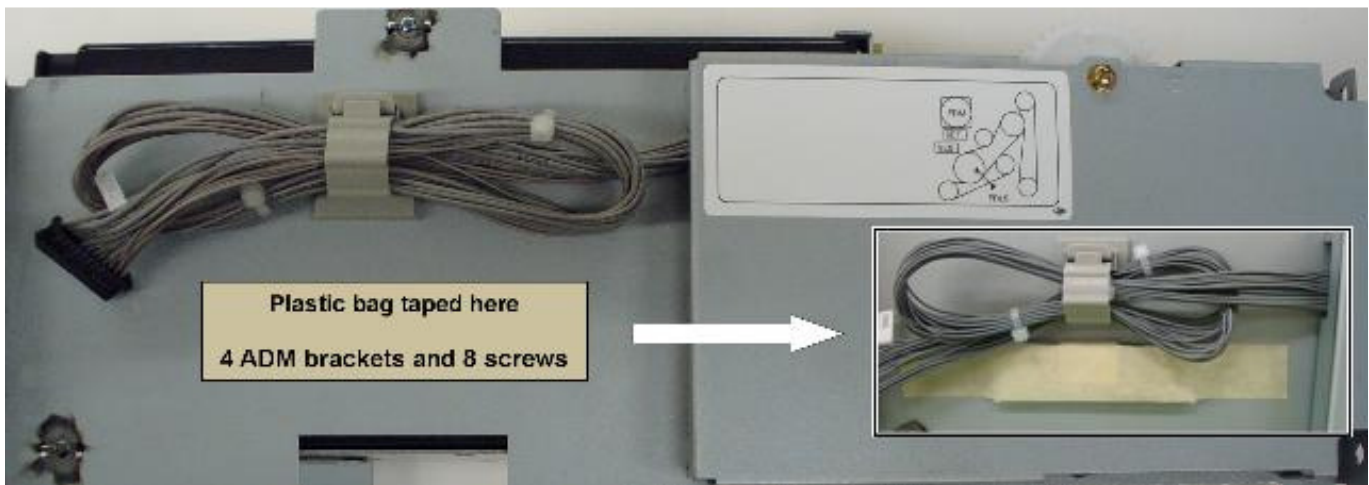

Overview

Advisory regarding the F53 Additional Denomination Module (ADM) assembly kit bag.

The F53 ADM (FFNA #12000005 / FTEC #KD03234-B900) includes the necessary hardware to attach the ADM to the F53 main module.

Part Number	Description	Qty
KD02881-Y370	Bracket	4
F6-SW2N3-06121	Pan Head, Phillips, SEMS, Nickel Plated, M3x6mm	8

F53 ADM assembly kit bag may be over looked or mistakenly discarded by manufacturing or field service personnel when unpacking the Module for installation. This parts kit was previously a loose pack within the shipping box. The parts kit is now attached to the ADM module near the cable harness, refer to image below.

Impact

- Production No Impact. Informational only to make sure install kit parts are not discarded.
- Installed Units No Impact. Informational only.
- Repair Center No Impact. Informational only.
- Service Spares No Impact. Informational only.
